

A SCIENCE CURRICULUM

Especially Arranged For Preparing Teachers of Science

The prospective teacher may get a minimum of three years in one science (Biology or Chemistry), two years in a second science, and one year in the third science, with the courses in Psychology and Education required for a teaching certificate, including practice

teaching in science. Graduate work through the master's degree given in biology and chemistry in order to prepare teachers for the larger high schools or for teaching positions in small colleges.

Write for catalogue mentioning the field of your interest to

FOR TEACHERS**

NASHVILLE 5, TENNESSEE

INDEX TO VOLUME XXXV, 1960

Acad. Conference and AAAS Council report	140
Academies of Science, history	224
Akers, L. K., article	153
Antibodies	267
Anti-evolution law	221
Ayers, Norma, article	267
Baker, C. L., articles	1, 140, 224
Baker, W. R., article	206
Barker, Kenneth R., article	247
Barnard Astronomical Society	124
Benson, Bryant, article	186
Benson, Norman G., article	63
<i>Bothriocephalus schilbeodis</i> n. sp. (cestode)	164
Carotid body	249
Carter, Laurecce, article	251
Cestodes in <i>Schilbeodes insignis</i>	164
Cheng, Thomas C., articles	49, 128, 164
Collegiate Division	247
Collembola of East Tenn.	238
Copeland, T. P., article	238
Crappie in Reelfoot Lake	3
Cumberland Plateau, settlement pattern	24
Cureton, Edward E., article	193
Dichlorotetraquachromium, purification	244
Downs, Wm. G. Jr., article	186
Easley, Wm. K., article	31
<i>Enterobius vermicularis</i> survey	49
<i>Entocythere cyma</i> n. sp (ostracod), 18; <i>E. mesoscapha</i> n. sp., 19; <i>E. simondsi</i> n. sp., 17	
Fitzpatrick, David, article	250
<i>Gerardia</i> in Tenn., 9; <i>G. purpurea</i> var. fasciculata n. comb., 13; <i>G. pupurea</i> var. racemulosa n. comb., 14	
Griffits, F. A., article	153
Grigorieff, W. W., article	153
Guenther, W. B., article	244
Habrobracon, studies on embryo	247
Heat Transfer Analysis Technique	206
High School Science Section	252
History of Academies	244
History of Science Institute	76, 184
Hobbs, Horton H. Jr., article	17
Insulin stress, effect on leucocytes	186
Jacobs, Dillard, article	206
James, Hugo A., article	164
Jones, Arthur W., article	221
Keim, Christopher P., 1960 President	78
Leucocytes in rats 186; in mice,	250
Little, James C. Jr., article	261
Lundberg, G. H., article	144
McCormick, George, article	247
Major, James L., articles	252, 259
Mammals, populations studies 32; of Davidson County	251
Marble Industry of East Tenn.	54
Myers, A. L., article	153
Neely, James, article	250
Noise attenuation	261
Nuclear radiation	264
Oak Ridge Mobile Laboratory	153

Obed River, fertilization	63
Origin of Life	216
Ostracods, new species from Hiwassee	17
Overman, R. T., article	153
Ozone lamp, arrangement for inactivation work	126
Parsons, John W., article	63
Pendergrass, Betty, article	262
Perry, James D., article	247
Physics Experiments, high school	259
Population studies of seed-eating mammals	32
Prodromus Fungorum Ludovicianorum II	231
Provenza, D. Vincent, article	128
Psychologists and Psychology	193
Reelfoot Lake Biological Station, report of director, I; financial statement	2
Reelfoot Lake, white crappie in	3
Robinson, Harold, article	9
Robinson, Maline, article	216
Schoffman, Robert J., article	3
Settlement pattern on Cumberland Plateau	24
Seyfert, Carl K., article	124
Shaver, Jesse M., article	81
Smith, Landon, article	250
Spectroscopy Institute	138
Sphincter Musle pattern in circulation	128
Stewart, Pete, article	264
Stuart, John J., article	244
Temperature effect of salt and ice	262
Tennessee, anti-evolution law, 221; science talent search	252
Tenn. Acad. of Science, proceedings for 1959, 92; new president, 78; new Secretary, 80; report of Treasurer, 144; Constitution and bylaws, 147; membership list, 169; announcement of 1960 meetings, 215	
Tipton, Isabel H., article	257
Townsend, G. Fred, article	126
Trans 1-4- (diisothiuronium dihydrobromide)-2-butene, preparation and infrared spectrum	31
Treanor, Thomas, Jr., article	249
Trillium cuneatum in Tenn.	81
Vegetation of Washington County	247
Walters, Joe P., article	54
Walton, Margaret, article	17
Webb, George W., article	24
Webb, Hanor A., article	252
Welden, A. L., article	231
White Crappie in Reelfoot Lake	3
Wilson, James L. article 92; new Secretary,	80
Yeatman, Harry C., article	32
