ANNOUNCEMENT OF AAAS RESEARCH GRANT

Limited funds are available from the American Association for the Advancement of Science to assist students in their research projects. These funds are to be granted preferably to high school students, although grants may also be made to undergraduate and graduate students at the college level. The grants are not to be used as prizes or awards for completed work. The emphasis is primarily on the encouragement and assistance of students with ideas they wish to develop.

Applications should be sent to the Chairman of the Research Committee, Dr. Charles S. Shoup, Research and Development Division, P.O. Box E, Oak Ridge, Tennessee.

The application should include the following:

- (1) name of the applicant,
- (2) his address and institution,
- (3) his research project,
- (4) the special purpose for which he intends to use the fund,
- (5) the amount of the grant,
- (6) the sponsoring teacher or professor.
