

A SCIENCE CURRICULUM

Especially Arranged For Preparing Teachers of Science

The prospective teacher may get a minimum of three years in one science (Biology or Chemistry), two years in a second science, and one year in the third science, with the courses in Psychology and Education required for a teaching certificate, including practice

teaching in science. Graduate work through the master's degree given in biology and chemistry in order to prepare teachers for the larger high schools or for teaching positions in small colleges.

Our Company maintains a large stock of biological materials of all kinds. We have grown steadily during the thirty-one years we have been in business. It is our belief that this growth has been due to our considering an order for our supplies a privilege and to the fact that our materials are the finest which can be obtained.
