VANDERBILT UNIVERSITY
1962 Summer Session

June 11 - July 18; July 19 - August 25

Air conditioned library, men's dormitories, dining hall, and most classrooms.

Undergraduate instruction will be available in the departments of Biology, Chemistry, Economics-Business Administration, English, Fine Arts, Geology, German-Russian, History, Mathematics, Philosophy, Physics, Political Science, Psychology, Religion, Romance Languages, Sociology, Speech and Drama, and in the School of Engineering.

Graduate courses in most of these departments and in the Schools of Divinity, Law, and Medicine (Division of Audiology and Speech Pathology).

Evening courses are available for adults.

For 1962 bulletin, write to Ewing P. Shahan, Director of Summer Session, Box 1502, Station B, Vanderbilt University, Nashville 5, Tennessee.

Turtox Human Models

We offer a complete assortment of dissectible models on Human Anatomy. Refer to pages 271 through 282 of the current Turtox Catalog No. 63. These unbreakable models are finished in **Chip-proof flexible** colors. They will not chip, crack or break. The **price-per-year-of-service** makes them very economical.
