Natural history studies by Arthur Stupka

### TREES, SHRUBS, AND WOODY VINES OF GREAT SMOKY MOUNTAINS NATIONAL PARK

"For the layman who enjoys the Canada-to-Mid-South range of forest giants in the Great Smokies it is a thriller....the scientist will appreciate Stupka care on index, glossary, separate keys to trees, shrubs, and woody vines" — Greensboro Daily News. 196 pp. (24 illus.), paper, \$2.75

### NOTES ON THE BIRDS OF GREAT SMOKY MOUNTAINS NATIONAL PARK

"It is difficult to avoid unrestrained praise for this checklist" — Wilson Bulletin. "It's a delightful book" — Saturday Review. 256 pp., paper, \$3.00

### SUMMER KEY TO TENNESSEE TREES

by R. E. Shanks and A. J. Sharp

Key encompasses all trees known to be native or naturalized in Tennessee. 24 pp., paper, 50¢

### GREAT SMOKY MOUNTAINS WILDFLOWERS ENLARGED EDITION

"Will delight anyone who loves flowers or who admires excellent photography. It is non-technical but botanically correct" — Frontiers. "Color plates [127] are superb" — Popular Gardening. 88 pp., paper, \$1.50; cloth, \$3.00

### NORTH AMERICAN SPECIES OF HYGROPHORUS

by L. R. Hesler and A. H. Smith

"A notable contribution to the literature on agarics" — Mycologia. 432 pp. (127 illus.), cloth, \$12.00

### MUSHROOMS OF THE GREAT SMOKIES:

A Field Guide to Some Mushrooms and Their Relatives  
by L. R. Hesler

"A must for mushroom hunters" — American Biology Teacher. "The most wonderful feature is the more than 200 beautiful pictures of almost natural size illustrating the species" — Journal of Japanese Botany. Cloth, \$5.50  
(Special to teachers of science, \$4.40 postpaid)

### LECTURES IN BIOLOGICAL SCIENCES

Norman G. Anderson, C. H. Waddington, G. Ledyard Stebbins, J. N. Spuhler, and Th. Dobzhansky present their thoughts and findings. 124 pp., paper, \$3.00

Books by T. M. N. Lewis and Madeline Kneberg Lewis

### EVA: AN ARCHAIC SITE

"Will be referred to in all future evaluations of the Archaic in the Southeast....throws considerable light into at least one dark corner of prehistory" — American Antiquity. 188 pp. (72 plates), paper, \$3.00

### HIWASSEE ISLAND

"The illustrations (119 plates, 5 maps and numerous text figures) are splendid. These alone would give an excellent understanding of Southeastern archaeology" — The World in Books. 316 pp., paper, \$5.50

### TRIBES THAT SLUMBER:

Indians of the Tennessee Region

"Sets a high standard for popular writing on American archaeology" — Science. 208 pp. (133 illus.), cloth, \$4.75; paper, \$3.25
