

Miss Kathy Womack, student at Middle Tennessee State University, is congratulated by Dr. Clay M. Chandler, Professor of Biology at MTSU. Miss Womack was awarded the Tennessee Academy of Science scholarship for \$500 for study at the Tech Aqua Biological Station during the summer of 1978. Information regarding scholarships for the summer of 1979 may be obtained by contacting Dr. Robert Martin, Biology Dept., TTU, Cookeville, TN 38501.
